

"Delivering your goods delicately,
conveniently, & professionally!"

ABOUT US

We, "Bismarck," are one of the most qualified, experienced, affordable, and cost-effective global firms in the field of customs clearing and freight forwarding.

Our strength lies in our strategic positioning in dynamic markets and various industries like FMCG, furniture and wood, chemicals, electronics, and metals. Our strategic association with international freight forwarders and customs brokerages allows our clients to avail a wide range of state-of-the-art, tailor-made freight services in a timely and cost-effective manner.

Our experience and knowledge of international standards make us the go-to company for importers/-exporters and other businesses looking to take their products overseas through a variety of outlets. It doesn't matter how complicated the projects are; we have the topmost sources and references to clear all projects perfectly.

OUR VISION

We aspire to be the biggest logistics juggernaut in the Western coast of India.

OUR MISSION

To build clients' trust through the supply of premium quality services on time.

OUR SERVICES

CUSTOM CLEARANCE

We know that buying or selling across national lines can be a challenge, but with the right customs clearance service provider, you can overcome these challenges, reduce unexpected delays, and get an edge over competitors.

FREIGHT FORWARDING

We are one of the most connected and well-known companies providing Freight Forwarding services to clients who are in the import-export business. We guarantee the best standards in customer service with cost-effectiveness and time-bound deliveries.

SUPPLY CHAIN SOLUTIONS

When it comes down to creating the best supply chain solutions for your business, our Logistics Consultancy team possesses a solid background which guarantees the ability to implement an effective solution matched perfectly to the unique needs of your company.

DGFT CONSULTATION

Our DGFT Consultancy Services include the following:

Preparation of documentation to provide a hassle-free experience. Availability of various authorisations such as Advance and EPCG License, DFIA Authorisation, and much more.

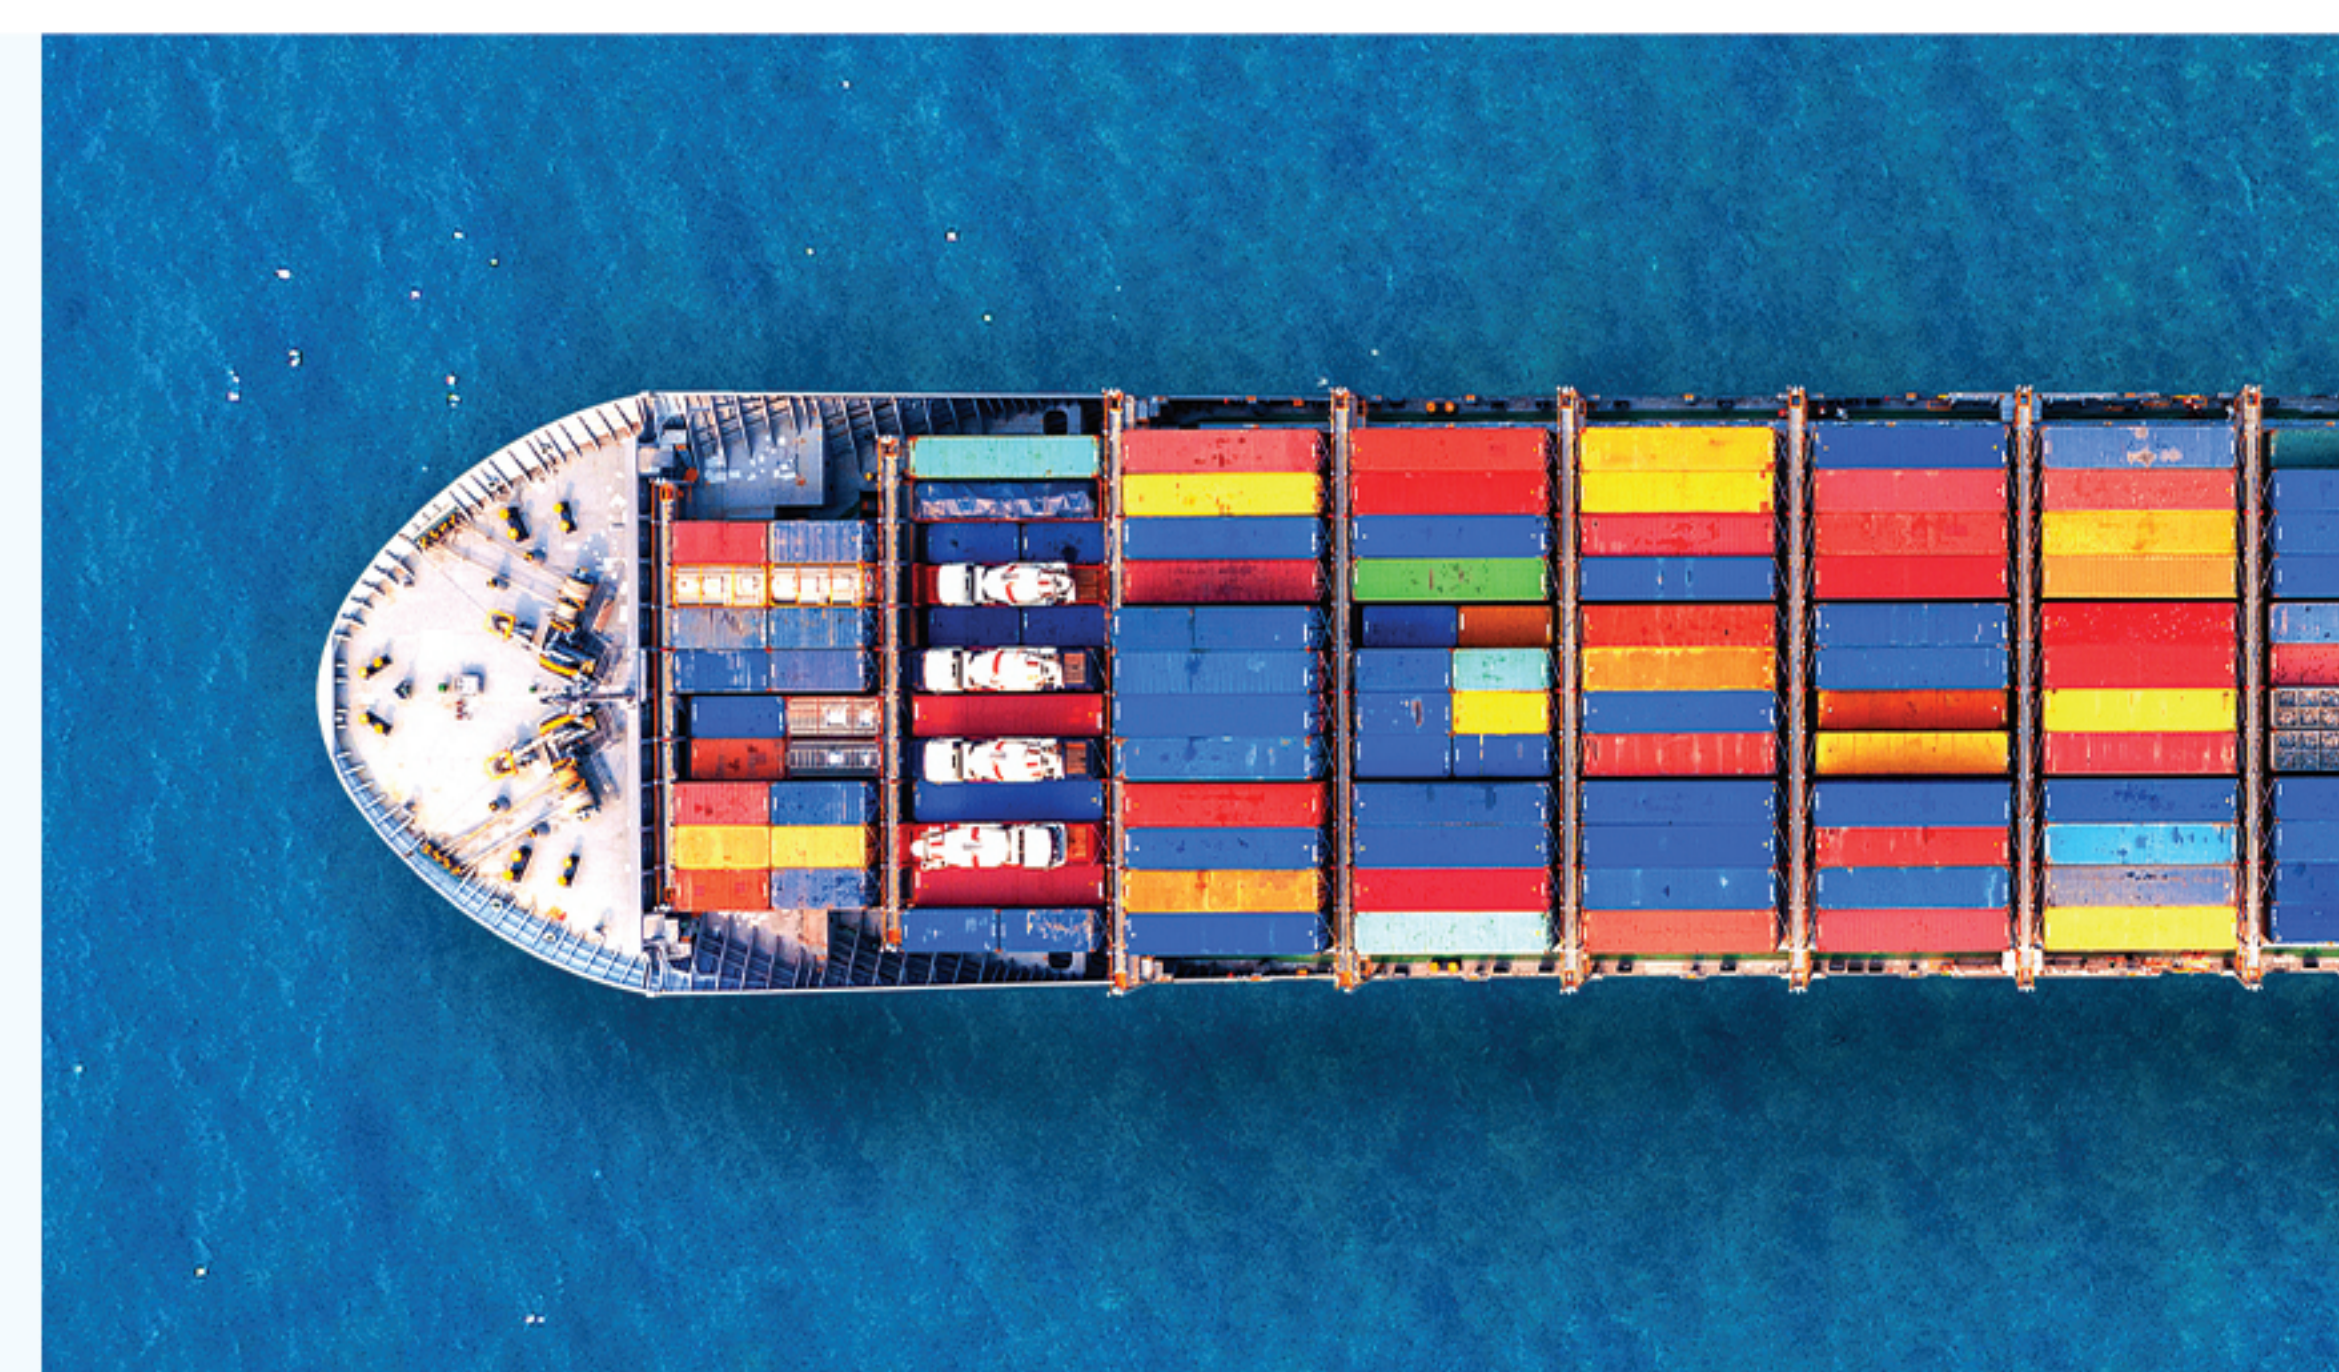

ROAD TRANSPORTATION

Bismarck has a vast domestic transportation network spanning multiple neighborhoods, countries, and cities, and with exponential business expansion, this network for people and goods transit continues to expand. Our transportation services are always planned and improved with the needs of both the parties in mind, resulting in solutions that meet everyone's needs.

PROJECT CARGO

Bismarck pays close attention to detail in even the most complex transportation and logistics situations. Maintaining timelines, budgets, and safety requirements with transit. Our team is highly skilled and has years of experience working with a wide range of project cargoes. Our track record shows that we can assist you with every step of the shipping process, regardless of the shape, size, weight, or complexity of your cargo.

AIR FREIGHT

Strong partner network that creates unique advantages in terms of facilities, costs, and services, ensuring on-time delivery. Extensive reach to streamline operations and ensure that your cargo is with us from start to finish, anywhere in the world.

DANGEROUS GOODS REGULATION

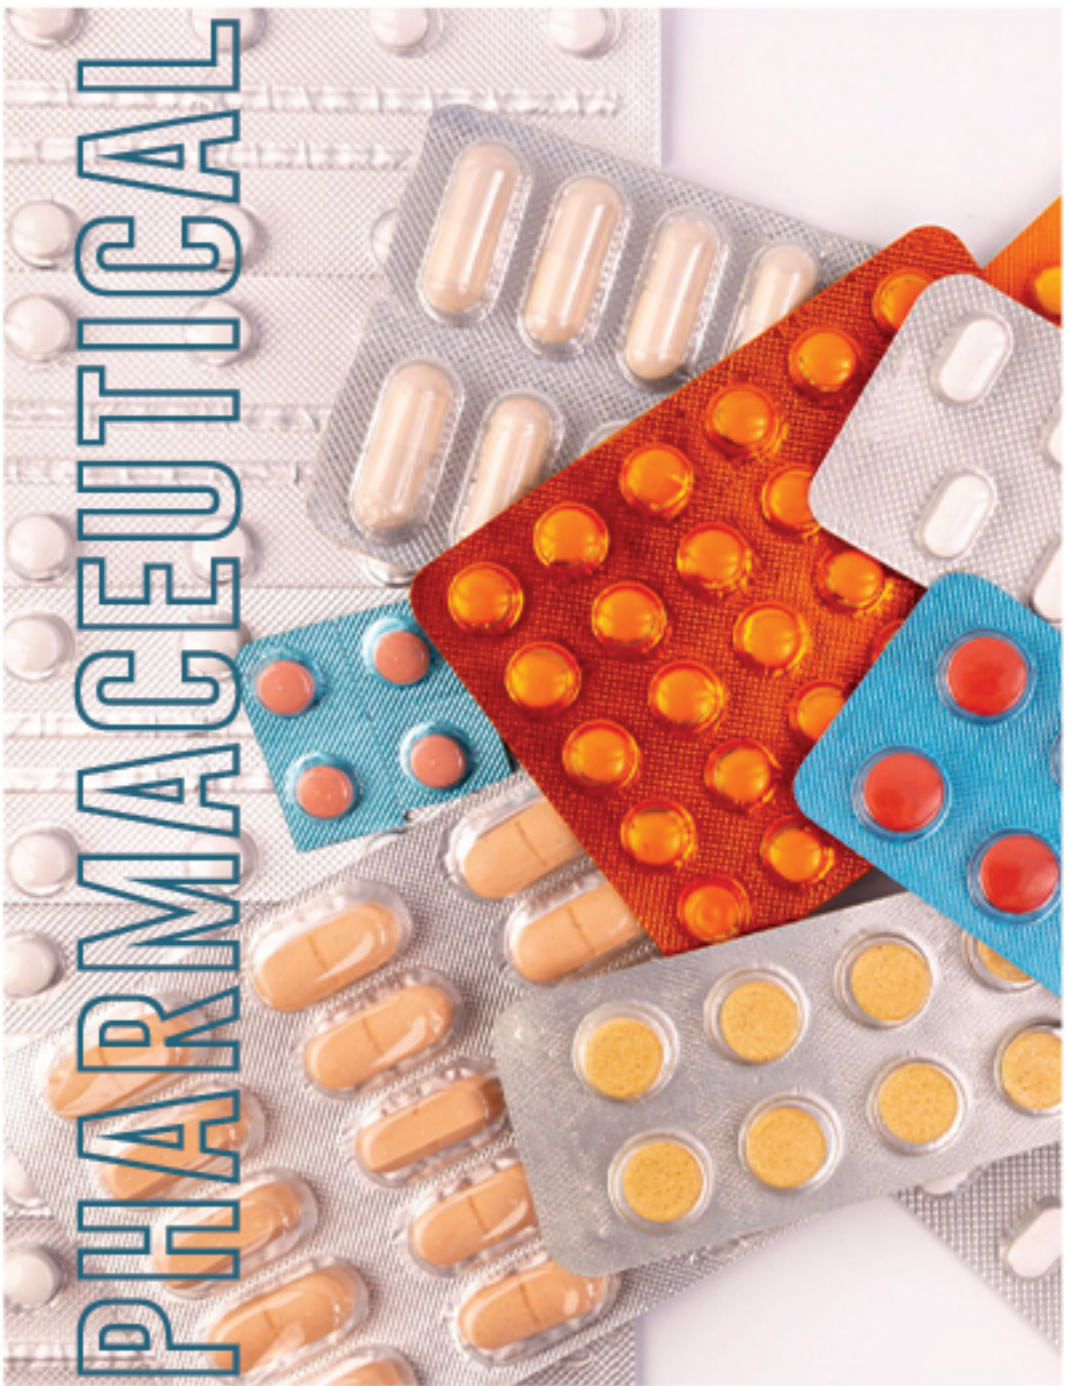

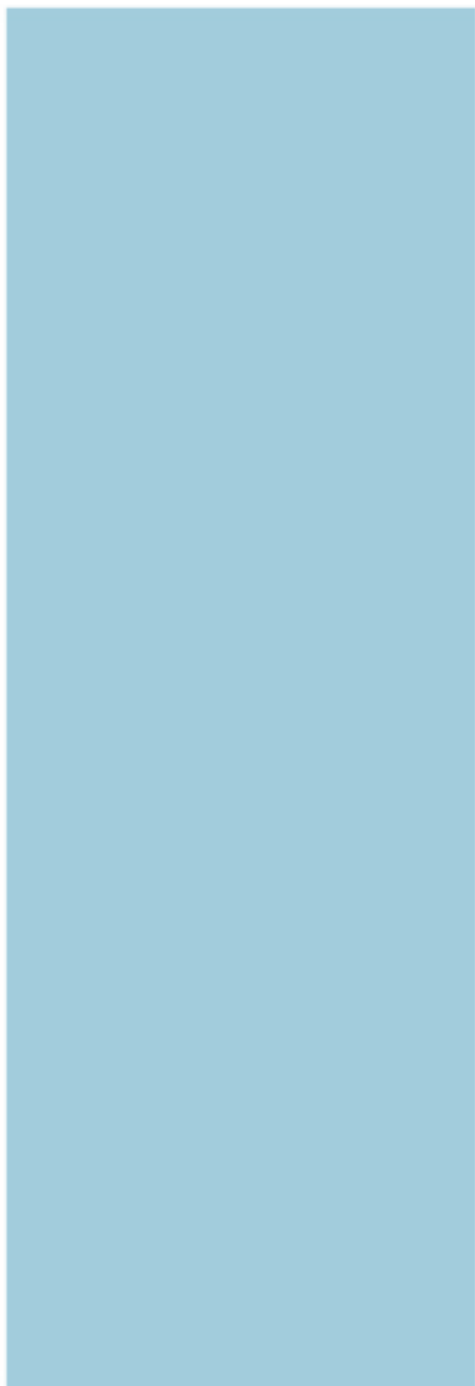

With over 31 years' cargo experience and DGR certification, we are one of the most experienced and reliable providers in the country. You benefit from our specialized knowledge in dangerous goods. We are extremely adept at handling hazardous and dangerous goods.
